A watercolor splash in shades of pink, purple, and blue, with a rough, torn edge. The text is overlaid on this splash.

The background features two overlapping watercolor washes. The top wash is a vibrant blue, and the bottom wash is a soft pink. The text is centered over these washes.

A large, irregular splash of pink watercolor paint serves as the background for the text. The splash is centered and has various shades of pink, from light to dark. There are several smaller, distinct splashes of pink paint scattered around the main splash, particularly at the top, bottom, and sides.
